

Circle Time With a Leprechaun!!!!!!

Do you feel Lucky?

Want movement for your little ones? Want to reinforce number sequence or the ABC's?
They always like to find the "treasures" don't they?

ITEMS NEEDED: Paper Shamrocks (labeled with numbers or the ABC's), placed on the floor throughout your child care space.

A Pot of Gold (any treasure or treat will do) AT "X" Shamrock (this marks-the- spot).

DIRECTIONS: 1. Let your little ones choose their Leprechaun Name, or wear a Leprechaun Hat, or maybe even some pointed green ears.
2. Go for a treasure hunt following the shamrocks under chairs, over pillows, through hula-hoops, over a wooden beam bridge, to find their lucky treasure.
