PAINTED PAINT CAN

"TOGETHER WE CAN MIX IT UP!"

Buy new paint cans at a paint store (Abbott's Paint has them). Don't forget to get the free paint can opener and wooden sticks.

1. Have children sponge paint the cans with acrylic paints.
2. Then have children dip large pretzels in chocolate. Lay them on wax paper and put in the fridge until dry.
3. Fill the can with tissue paper, wax paper and pretzels.
4. Decorate the wooden paint stick too and write something like "Dad its our day to mix it up!"
5. Tie the stick and opener with ribbon on the paint can handle.
